As house visits gradually resume, MPs for Sembawang GRC, [Ms Mariam Jaafar](#) and [Mr Vikram Nair](#) updated on their Facebook pages that most of eligible people have already been vaccinated or were waiting to receive their vaccination.

Let's encourage more of our family members and friends to get vaccinated soon! You can do your part by sending them the video of their preferred language [here](#).

E-waste bins in Sembawang GRC

Don't Let Your E-waste Waste Away

Why Recycle E-waste?

- E-waste needs to be properly handled to recover valuable materials and prevent hazardous substances from harming the environment and our health.
- Recycling e-waste reduces trash and reduces our carbon footprint.

First, see if your product can be reused, donated or repaired. If not, recycle it!

What Can I Recycle?

ICT Equipment

Large Household Appliances

Electric Mobility Devices

Household Batteries

Lithium-ion Batteries

Bulbs & Tubes
(Incandescent, LED and Fluorescent)

NEA's Nation-Wide E-Waste Management Scheme

In partnership:

Recycling electrical and electronic waste (e-waste) is now more convenient for you! Members of the public will be able to recycle them through "multiple collection avenues", including more than 300 e-waste recycling bins at public locations.

Here are some e-waste bin locations found near you:

- Sheng Siong at Blk 573 Woodlands Drive 16
- Sheng Siong at Blk 785E Woodlands Rise
- Sheng Siong at Blk 105 Canberra Street
- Fairprice at Kampung Admiralty

More sites are also being surveyed and identified to place these e-waste bins. Stay tuned to our page for updates.
