#PeopleofSembawang: Sembawang Nature e-Guidebook

Dear Residents,

I hope the year-end period finds you enjoying time with family and friends. The last quarter has been a busy one in Sembawang.

One of our signature events was the LKY100 Tree Planting Day. I was delighted to see many Sembawang residents come together with their loved ones to plant 15 new trees in honour of our founding prime minister Mr Lee Kuan Yew's 100th birth anniversary. To spread the knowledge and understanding of sustainability, Sembawang Town Council has collaborated with various agencies to launch sustainability corners. These corners feature upcycled SMRT train seats (Page 6) and EV charging stations (Page 7) to encourage sustainable living among our residents.

The much-anticipated Bukit Canberra project has seen more facilities opening this year. These include a hawker centre, a sprawling ActiveSG gym, a swimming pool complex and a polyclinic. Bukit Canberra aims to provide facilities for a wide array of sports activities to foster a vibrant and healthy lifestyle in our community. Come visit with your families and enjoy!

Here's wishing you and your loved ones a Merry Christmas and a wonderful 2024!

Vikram Nair
Chairman of Sembawang Town Council

Para Penduduk yang Dihormati,

Saya harap anda menikmati masa bersama keluarga dan rakan-rakan dalam tempoh akhir tahun ini. Suku yang baru lepas adalah masa yang sibuk di Sembawang.

Salah satu acara khas kami ialah Hari Menanam Pokok LKY100. Saya gembira melihat ramai penduduk Sembawang berhimpun bersama ahli keluarga tersayang mereka untuk menanam 15 pokok baharu sempena ulang tahun kelahiran ke-100 perdana menteri pengasas kita, Encik Lee Kuan Yew. Untuk menyebarkan pengetahuan dan pemahaman tentang kemampanan, Majlis Bandaran Sembawang telah bekerjasama dengan pelbagai agensi untuk melancarkan sudut kemampanan. Sudut-sudut tersebut menampilkan tempat duduk kereta api SMRT yang telah dikitar semula (Halaman 6) dan stesen pengecas EV (Halaman 7) untuk menggalakkan kehidupan mampan untuk penduduk kami.

Projek Bukit Canberra yang amat dinanti-nantikan telah menyaksikan semakin banyak kemudahan dibuka tahun ini. Kemudahan tersebut termasuk pusat penjaja, gim ActiveSG yang luas, kompleks kolam renang dan poliklinik. Bukit Canberra bertujuan untuk menyediakan kemudahan untuk pelbagai aktiviti sukan untuk memupuk gaya hidup cergas dan sihat untuk komuniti kita. Sila datang melawat bersama keluarga anda untuk menikmatinya!

Saya ingin mengucapkan Selamat Hari Natal dan Tahun Baru 2024 yang indah bersama keluarga tersayang, sahabat handai dan jiran tetangga!

Vikram Nair
Pengerusi Majlis Bandaran Sembawang

亲爱的居民们，

我希望您在年底期间与家人和朋友共享美好时光。三巴旺忙碌的度过上个季度。

我们的标志性活动之一是 LKY100 植树日。我很高兴看到许多三巴旺居民与他们的亲人一起种植 15 棵新树，以纪念我们的开国总理李光耀先生 100 周年诞辰纪念日。为了传播有关于永续发展的知识以及加深居民们对于永续发展的理解，三巴旺市镇理事会与各机构合作推出永续发展角落。这些角落设有升级改造的新加坡地铁 (SMRT) 座椅 (第 6 页) 和电动车充电站 (第 7 页)，以鼓励我们的居民实践永续生活。

备受期待的“武吉坎贝拉” (Bukit Canberra) 计划在今年已经有越来越多的设施陆续开幕。这包括小贩中心、大型 ActiveSG 健身房、游泳池和综合诊疗所。武吉坎贝拉旨在提供各式各样的体育设施，打造一个充满活力和健康生活方式的社区。欢迎您和家人一同参观和享受这些设施吧！

在此祝福您和您的亲人们圣诞快乐，并拥有一个美好的 2024!

BUKIT CANBERRA INTEGRATED SPORTS AND COMMUNITY HUB

is fully opened

The recent opening of four new swimming pools and the largest ActiveSG gym in Singapore marks the completion of the ActiveSG Bukit Canberra Sport Centre! At the heart of the nation's mission to promote active ageing, eligible ActiveSG members aged 65 and above have free access to the sporting facilities.

The Bukit Canberra Swimming Complex opening ceremony was officiated by Minister Ong Ye Kung, Dr Lim Wee Kiak, PBM, Mr Vikram Nair, and Ms Mariam Jaafar. During the event, our advisers joined residents, taking a dip in the swimming pools for various aquatic workouts.

Bukit Canberra Swimming Complex is open every day including public holidays from 8am to 9.30pm except Wednesday. You may visit the ActiveSG website for more information.

**Registration is required for all aquatic programmes through the ActiveSG app.*

Rain or shine, we've got you covered! Take your pick from a variety of sporting programmes available at the sheltered pool area for your daily workout fix.

Besides the eight-lane competition pool and six-lane sheltered pool for adults, there is a wading pool and a fun pool for children to enjoy water activities too!

Spanning 1,500 square metres, the gym offers a variety of workout options to cater to individual fitness goals, such as functional fitness exercises, resistance training, free weight training and cardiovascular exercises. It is thoughtfully designed with HUR machines (which use air pressure in place of traditional weights) to encourage seniors to keep fit. Popular classes such as Zumba, Piloxing and Hatha Yoga are also offered at the dance studio next door.

Minister Ong Ye Kung tried out the HUR machine and participated in a workout session with residents.

LKY100 Tree Planting Day

More than 150 residents joined us for our tree planting day at Blk 313 Sembawang Drive on 26 November 2023. Our residents kick-started the event by planting Pink Mempat trees (*Cratoxylum Formosum*), Happiness trees (*Garcinia Subelliptica*) and Silver Tea trees (*Leptospermum Sericeum*) together with Advisers for Sembawang GRC Mr Vikram Nair, Minister Ong Ye Kung and Ms Mariam Jaafar to enhance the greenery in our estate. This event marked the start of Singapore's nationwide tree planting campaign with the Sembawang Town Council goal to green up the estate with 1,000 trees per year until 2025.

Did you know? When the Pink Mempat blooms, its crown is covered with light pink, fairly fragrant flowers which measure up to 2.5 cm. It is a native species that was planted by our founding prime minister, Lee Kuan Yew, in 1963.

Special thanks to SG Veg Farms for engaging our residents to nurture their green thumb through succulent replanting and potting.

Let's continue to do our part to keep our environment clean and green for everyone!

OTHER TREE PLANTING DAYS in Sembawang GRC

Sembawang residents gathered together with Ms Poh Li San, Adviser to Sembawang West, on the morning of 7 October 2023 for a litter picking event. Empty bottles, cigarette butts and tissues were some of the items collected in our public spaces. The event ended with a ceremonial tree planting of four new Neem and Happiness trees.

The Canberra Active Ageing Committee organised its yearly active ageing carnival on 16 December 2023 to encourage our seniors to lead healthier lifestyles, under the theme “Get Active, Stay Active!” Seniors and their family members engaged in group exercises such as a brisk walk around Canberra and chair exercises. They were joined by Dr Lim Wee Kiak, Adviser to Canberra, who shared three tips to keep fit, such as eating healthy, having enough rest, and staying active. Famous filmmaker Mr Jack Neo hyped up the crowd with a sing-along session. A beautiful morning was spent where seniors, advisers, and participants made memories and took home health tips.

Famous filmmaker Mr Jack Neo invited residents to sing a few songs together.

A cat mascot grooved to the beat, joining residents in physical exercises.

Residents were excited to start their brisk walk!

SEMBAWANG NATURE E-GUIDEBOOK

Experience the beauty of Sembawang's nature parks! Learn more about the flora and fauna by bringing along this pocket guidebook produced by Republic Polytechnic students, with the support of National Parks Board and Sembawang Town Council, when you visit the parks.

What inspired the students to produce the Sembawang Nature e-Guidebook?

Republic Poly: Our lecturers introduced this project to us when we were in year 2 and, as it is relevant to what we learnt from our Diploma in Environmental and Marine Science (DEMS), there were some among us keen to take up and commit to producing the e-guidebook. As students, we are usually the ones doing the learning, so this was a good opportunity to translate our skills and knowledge into a product that helps others learn as well.

What are your thoughts on this initiative?

NParks: This collaboration allows the students to widen their knowledge about the importance of nature. At the same time, this initiative also reaches out to members of the community and engages those who are interested to know more about our parks and green spaces in Sembawang.

Republic Poly: We believe this initiative can help serve as a stepping stone or as an entry point for visitors wanting to experience nature, be it by observing wildlife or just taking a stroll and soaking in the sights. This e-guidebook also allows the two parks – Sembawang Hot Spring Park and Sembawang Park – to be known for more than just their facilities. Curiosity is wonderful and we cannot help but wonder, for example, “What is that colourful butterfly?” or “What is the species of bird making that melodious sound?” or “What fruit is that on the ground?” when something catches our eye during a stroll or an exercise.

Thus, this initiative will be useful for people to learn more about the flora and fauna we live alongside in this City in Nature.

Any recommendation for first-timers visiting the Sembawang nature parks?

NParks: We encourage visitors to download the e-guidebook and read its content before visiting the parks so that they can plan their route and maximise their experience. Visitors to Sembawang Park may wish to check out the Sembawang Tree which gives the name of the park. We highly recommend a visit to Sembawang Hot Spring Park to enjoy a natural spa after a long day!

Republic Poly: Our recommendation would be to take your time at the parks and read through the e-guidebook to see if it can help you prep for anything or identify anything you've come across! The e-guidebook not only provides information on the biodiversity but also some descriptions on the facilities and other highlights throughout the trail, be it the parks or park connectors. Have fun, indulge in your curiosity, and enjoy the day with nature!

They are a problem because their droppings stain homes and public amenities. They can also spread diseases to humans through contaminated droppings or via contact with diseased birds. These diseases affect those with lower immunity.

WHAT YOU CAN AND CANNOT DO:

Cover all open-top rubbish bins in your premises properly to prevent pigeons from getting to food waste.

Do not feed pigeons and please discourage people from feeding pigeons.

Feeding pigeons is an offence that carries a fine of up to \$500.

People who throw food from their HDB unit may also be prosecuted for high-rise littering.

Prevent the roosting and nesting of pigeons by installing spikes or other bird proofing measures.

To feedback on pigeon-related matters, please contact us at www.avs.gov.sg/feedback, or call 1800 476 1600 (24-hours).
