Tree Planting in Our Town

Dear Residents,

Hope you are enjoying the year-end holiday season. We have seen many improvements for our GRC this year and the resumption of events and activities. People are going about life more normally with the easing of COVID-19 restrictions.

The new operating hours for our town council offices with effect from 1 December 2022 are on the last page. The offices will generally be closed on Saturdays but be open for slightly longer hours on weekdays.

Many exciting new developments opened in our GRC over the last couple of months. These include the Bukit Canberra Indoor Sport Hall and the Sport-In-Precinct at Wellington Circle. We hope the new sports facilities will bring our active residents greater convenience and enjoyment.

The newly upgraded Montreal Green Park also re-opened, featuring two new children's playgrounds, an adult and senior fitness corner, a butterfly garden, and a BBQ pit area. There is also a heritage corner which showcases the rich history of Sembawang.

Eleven new Thomson-East Coast Line (TEL) Phase 3 stations have also opened. This is great news for residents in the north who now have two lines to choose from when heading into town or other areas – the North-South Line and TEL. The travel time from Woodlands South to Orchard is now around 25 minutes on the MRT.

Reinforcing our commitment towards keeping Sembawang clean and green, the annual Tree Planting Day was held across the divisions in the last quarter. During these events, we also took the opportunity to thank our cleaners for their hard work and tireless efforts in keeping our estates clean.

Our colourful Deepavali celebrations across the divisions are also featured in this issue. I am happy to see the festivities back in full swing as it has been some time since we could all gather for celebrations.

Merry Christmas to all who are celebrating, happy holidays and Happy New Year to everyone!

Take care and stay safe.

**Vikram Nair**  
**Chairman of Sembawang Town Council**

Para Penduduk yang Dihormati,

Semoga anda sedang menikmati musim cuti akhir tahun. Kita telah melihat banyak penambahbaikan bagi GRC kita tahun ini dan penyambungan semula acara dan kegiatan. Orang ramai kembali menjalani kehidupan dengan lebih normal dengan pelonggaran sekatan COVID-19.

Waktu operasi baru untuk pejabat majlis bandaran kita yang berkuatuksa pada 1 Disember 2022 ada dinyatakan pada halaman terakhir. Pejabat akan ditutup pada hari Sabtu tetapi dibuka untuk tempoh masa yang lebih lama pada hari bekerja.

Banyak pembangunan baharu yang menarik dibuka di GRC kita sepanjang beberapa bulan lalu. Ini termasuk Dewan Sukan Tertutup Bukit Canberra dan Sukan-Di-Presint di Wellington Circle. Kami berharap kemudahan sukan baharu ini akan membawa lebih banyak kesenangan dan keseronokan kepada penduduk kita yang aktif.

Taman Montreal Green yang baru dinaik taraf juga dibuka semula, yang menampilkan dua taman permainan kanak-kanak baharu, sudut kecergasan dewasa dan warga emas, taman rama-rama dan kawasan pit BBQ. Terdapat juga sudut warisan yang mempamerkan kekayaan sejarah Sembawang.

Sebelas stesen baru Fasa 3 Laluan Thomson-East Coast (TEL) juga telah dibuka. Ini adalah berita baik untuk penduduk di kawasan utara yang kini mempunyai dua pilihan laluan jika ingin menuju ke bandar atau kawasan-kawasan lain, iaitu Laluan Utara-Selatan dan TEL. Masa perjalanan dari Woodlands South ke Orchard kini sekitar 25 minit dengan menaiki MRT.

Dalam pengukuhan komitmen kami untuk memastikan Sembawang sentiasa bersih dan lestari, Hari Menanam Pokok tahunan telah diadakan di seluruh bahagian pada suku terakhir tahun ini. Ketika acara tersebut, kami juga mengambil kesempatan untuk mengucapkan terima kasih kepada petugas kebersihan kami atas kerja keras dan usaha gigih mereka dalam menjaga kebersihan estet kami.

Perayaan Deepavali yang berwarna-warni yang diadakan di seluruh bahagian juga dipaparkan dalam isu ini. Saya gembira melihat perayaan kembali meriah kerana sudah agak lama kita tidak dapat berkumpul untuk meraikan bersama.

Selamat Hari Krismas kepada semua yang meraikan, selamat bercuti dan Selamat Tahun Baru kepada semua!

Berhati-hatilah dan kekal selamat.

近几个月来，我们集选区有不少新的动向，比如武吉坎贝拉的室内体育中心的开幕运作，还有威灵顿圈辖区体育设施的开放等。我们希望新的体育设施能为居民们提供更多的运动空间和享受。

刚获提升的蒙特利尔绿色公园最近已经重新开放，它有两个新的儿童游乐场，一个成人与乐龄的健身角落，一个蝴蝶花园，还有一个烤肉地点。另外，也有一个历史文物园地，向大家展示三巴旺的丰富历史。

汤申东海岸线（TEL）第三期共十一个新地铁站也已经通车了，住在北部的居民现在有两条地铁线路供选择，南北线和 TEL，居民们到市区等地方也方便多了。现在从兀兰南搭地铁到乌节，只需25分钟。

为保持三巴旺的整洁和绿化，我们是责无旁贷的。今年第四季，各个辖区都举行了一年一度的植树节活动。我们也借这些活动的机会，感谢我们的清洁员工，不辞劳苦地维持了我们组屋区的清洁。

在这一期的会讯里，我们要向您介绍我们多姿多彩的屠妖节庆祝活动。我们好一段时期都未能聚集在一起进行庆祝，如今节庆活动得以恢复，实在令人开心。

அன்புள்ள குடியிருப்பாளர்களே,

நீங்கள் ஆண்டிறுதி விடுமுறைக் காலத்தை நன்றாகச் செலவிடுகிறீர்கள் என்று நம்புகிறேன். இவ்வாண்டு, நமது ஜி.ஆர்.சி-க்கு பல மேம்பாடுகளையும், நிகழ்வுகள் மற்றும் செயல்பாடுகள் மீண்டும் தொடங்கப்படுவதையும் நாம் கண்டுள்ளோம். கோவிட் கட்டுப்பாடுகள் தளர்த்தப்பட்டதுடன் மக்கள் தங்கள் இயல்பு வாழ்க்கைக்குத் திரும்பினர்.

1 டிசம்பர் 2022 முதல் நமது நகர மன்ற அலுவலகங்களுக்கான புதிய செயல்பாட்டு நேரம் கடைசிப் பக்கத்தில் உள்ளது. அலுவலகங்கள் பொதுவாகச் சனிக்கிழமைகளில் மூடப்படும், ஆனால் வார நாட்களில் கூடுதலான நேரம் திறந்திருக்கும்.

கடந்த இரண்டு மாதங்களில் நமது ஜி.ஆர்.சி-இல் பல அற்புதமான புதிய மேம்பாடுகள் திறக்கப்பட்டுள்ளன. புக்கிட் கான்பெராவின் உட்புற விளையாட்டு அரங்கம் மற்றும் வெலிங்டன் வட்டத்திலுள்ள ஸ்போர்ட்-இன்-பிரிசிங்ட் ஆகியவை அதில் அடங்கும். புதிய விளையாட்டு வசதி மேம்பாடுகள் எங்கள் சுறுசுறுப்பான குடியிருப்பாளர்களுக்கு அதிக வசதியையும் மகிழ்ச்சியையும் தரும் என்று நாங்கள் நம்புகிறோம்.

புதிதாக மேம்படுத்தப்பட்ட மாண்ட்ரியல் கிரீன் பூங்காவில் இரண்டு புதிய குழந்தைகள் விளையாட்டு மைதானங்கள், மூத்தோர் உடற்பயிற்சி நிலையம், ஒரு பட்டாம்பூச்சி தோட்டம் மற்றும் 880-குழி பகுதி ஆகியவை உள்ளன. செம்பவாங்கின் வளமான வரலாற்றைக் காண்பிக்கும் ஒரு மரபுடைமை காட்சியும் அங்குள்ளது.

பதினொன்று புதிய தாம்சன்-ஈஸ்ட் கோஸ்ட் லைன் கட்டம் 3 (TEL Phase 3) நிலையங்களும் திறக்கப்பட்டுள்ளன. வடக்கில் வசிப்பவர்களுக்கு இது ஒரு சிறந்த செய்தியாகும். அவர்கள் இப்போது நகரம் அல்லது பிற பகுதிகளுக்குச் செல்லும்போது, இரண்டு பாதைகளைக் கொண்டுள்ளனர் - வடக்கு-தெற்கு லைன் மற்றும் TEL. உட்லண்ட்ஸ் சவுத்திலிருந்து ஆர்ச்சர்டுக்கான பயண நேரம் இப்போது ரயிலில் சுமார் 25 நிமிடங்கள் ஆகும்.

செம்பவாங்கை சுத்தமாகவும், பசுமையாகவும் வைத்திருப்பதில் எங்களின் உறுதிப்பாட்டை வலுப்படுத்தும் வகையில், இவ்வாண்டின் மரம் நடும் தினம், அனைத்து பிரிவுகளிலும் கடந்த காலாண்டில் நடத்தப்பட்டது. இந்நிகழ்வுகளின் போது, நமது பேட்டையைச் சுத்தமாக வைத்திருக்கக் கடின உழைப்பையும் அயராத முயற்சிகளையும் மேற்கொள்ளும் நம் துப்புரவுப் பணியாளர்களுக்கு நன்றி தெரிவிக்க, இச்சந்தர்ப்பத்தினைப் பயன்படுத்திக் கொண்டோம்.

பல பிரிவுகளில் நடைபெற்ற வண்ணமயமான தீபாவளி கொண்டாட்டங்களும் இந்த பதிப்பில் இடம்பெற்றுள்ளன. நாம் அனைவரும் கொண்டாட்டங்களுக்குக் கூடி சிறிது காலம் ஆகிவிட்டதால், விழாக்கள் மீண்டும் உற்சாகமாக இருப்பதைக் கண்டு நான் மகிழ்ச்சியடைகிறேன்.

கிறிஸ்துமஸ் தினத்தைக் கொண்டாடும் அனைவருக்கும் கிறிஸ்துமஸ் வாழ்த்துக்கள், அனைவருக்கும் இனிய விடுமுறை மற்றும் புத்தாண்டு வாழ்த்துக்கள்!

கவனமாகவும் பாதுகாப்பாகவும் இருங்கள்.

The Bukit Canberra Indoor Sport Hall opened its doors on 23 October 2022. The soft launch was attended by MPs for Sembawang GRC Minister Ong Ye Kung and Ms Poh Li San, together with members of the community. At the event, Minister Ong and Ms Poh tried out various sports with the residents and it goes without saying that everyone 'had a ball'!

The Indoor Sport Hall provides a conducive space for recreational and competitive players to train, play and enjoy a wide variety of sports such as badminton, basketball, pickleball, volleyball, just to name a few. It currently supports up to 8 badminton courts, 2 pickleball courts and 8 table tennis tables.

The courts are bookable via the ActiveSG app.

## AT THE NEW SPORT-IN-PRECINCT AT WELLINGTON CIRCLE!

The Sport-In-Precinct (SIP) at Wellington Circle officially opened its doors on 17 September 2022, and we were joined by MP for Sembawang GRC (Sembawang Central) Minister Ong Ye Kung and our residents. We saw many residents having fun with the activities arranged for this event and trying out the new facilities. Some highlights of the opening include a friendly street soccer match and a competitive wheelchair rugby match.

Check out the facilities you can find there!

### Sheltered Basketball Court

Regardless of good or bad weather, the sheltered basketball court is the answer to an undisrupted game. The retractable backboard is a bonus to prevent aficionados from playing late into the night.

### Street Soccer Court

With the ball impact sound damping system in place, the sound damping clips on the fence surrounding the street soccer court helps to eliminate noise generated during your game.

Both the basketball and street soccer court finishes are surfaced with a sport cushion system. It provides users with the highest comfort and reduces impact on the knees without compromising on performance and uniformity in game play.

### TTX Table Tennis

Training to be the next Feng Tianwei? You can now do so with the TTX table tennis which can also be found at SIP. Visitors should, however, note that table tennis balls and rackets are not provided. So bring along your equipment meant for outdoor play for a better playing experience.

### Adult Fitness Equipment

The adult fitness equipment consists of KOMPAN Magnetic Bells, KOMPAN Suspension Trainer, KOMPAN Core Twist, and KOMPAN Combi Steps.

### Elderly Fitness Equipment

The senior-friendly fitness equipment targets to strengthen the different muscle groups of our body. It includes a fitness bike, chest press, twist swing, cross trainer, and a combi station of free runner + cross trainer + power bike.

Check out the new SIP at Wellington Circle (next to Blk 508C Wellington Circle)

# MONTREAL GREEN PARK RE-OPENS!

The newly revamped Montreal Green Park officially re-opened on 20 November 2022, in conjunction with Sembawang Central's Tree Planting Day. The opening was so lively with many activities, from brisk walking to Zumba, games and snack booths. Residents, together with MPs for Sembawang GRC Minister Ong Ye Kung and Mr Vikram Nair, also took a tour of the 16,000-square-metre park and planted Horse Bush trees.

Here are the new and improved features you can find at the new Montreal Green Park!

## Heritage Corner

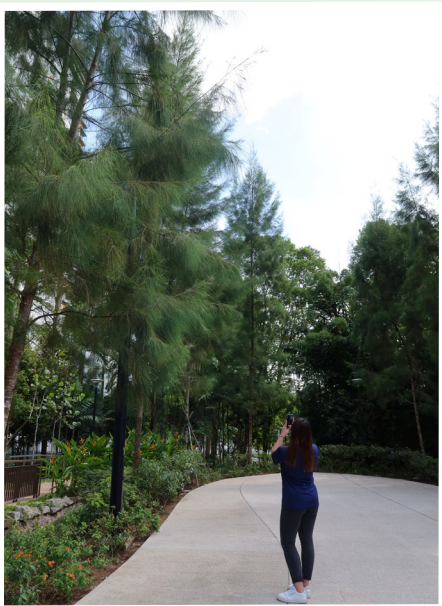

Fancy some history? Check out the new heritage corner where visitors can learn more about the rich history and progress of Sembawang. For some, this spot might even jolt some memories of growing up in Sembawang's olden days!

**Fun fact:** The research for the heritage corner was done by an undergraduate at NUS who is also our resident here in Sembawang.

## New Sculptures

Speaking of history, you can also find two interesting sculptures at the park. It is a sampan boat and a rubber tree plantation, named 'The Catch of Tomorrow' and 'Gotong Royong'. They encapsulate the history of Sembawang, reminding us of where we once started from, a rubber tree plantation. The sculptures were designed by artist Teng Kai Wei.

## Butterfly Garden

Retaining some parts of the old Montreal Green Park, the butterfly park with a nature garden trail was further enhanced for residents to feel closer to nature.

## Children's Playgrounds

Good news for kids! There are two new playgrounds with a pirate theme at the newly re-opened park. The playgrounds include equipment like the 3-In-1 swings, springers and merry-go-round.

## Fitness Corners

At the adult fitness corner, you can find equipment like parallel bars, horizontal ladders, and stations for beam jumps, body curl, push-ups, sit-ups, chin-ups and straight leg stretch.

For seniors, you can find the upright twist and arm warming up station to get you started on your exercises. You can also try your hand at recumbent and hand cycling for cardio, or the hydraulic shoulder press and hydraulic stepper to train your strength.

Check out the upgraded park (near Blk 589B Montreal Drive, Singapore 752589)!

## BY BEING CLEAN & GREEN

It's tree planting season again! The divisions in Sembawang GRC held their annual Tree Planting Day with the residents and their respective MPs across our town. We also took this opportunity to inculcate good habits by picking up after ourselves with litter picking activities, and thank our cleaners for their hard work with tokens of appreciation.

# ON BOARD TEL!

Eleven new Thomson-East Coast Line (TEL) Phase 3 stations have opened, enabling almost 200k households to walk to their nearest TEL station within 10 minutes to travel to the city. We went on a trip with Mr Ong Ye Kung and Ms Poh Li San to Maxwell Food Centre and URA via the TEL. It was a fruitful trip as we learnt about the development of Singapore, and also what you should eat when you go to Maxwell Food Centre!

# RUNNING THE TOWN!

## COLOURPOP RUN 2022

After the last one in 2019, the Colourpop Run was back this year on 26 November 2022. The 5 km run was joined by residents and MP for Sembawang GRC (Woodlands) Ms Mariam Jaafar. After the run, participants were treated to many food and sports booths such as hot dog buns, ice cream, floorball, and archery. The stage performances by different groups of students from Woodlands also stole the show!

## MOVING FORWARD @ SEMBAWANG GRC

More than 200 residents, with MPs for Sembawang GRC Mr Ong Ye Kung, Mr Vikram Nair, Dr Lim Wee Kiak, PBM, and Ms Poh Li San, ran together at the Moving Forward @ Sembawang GRC event on 27 November 2022. The run had two categories: 5 km and 10 km. What made the run memorable was everyone braving the rain together.

## LIGHT UP OUR TOWN!

Deepavali festivities certainly lit up our town! Our Hindu residents were able to gather and celebrate the Festival of Lights in full swing, together with their respective MPs for Sembawang GRC. Highlights of the celebrations include the significant lighting up of oil lamps, colourful song and dance performances, and lucky draws.

# Tips on recycling your E-Waste correctly

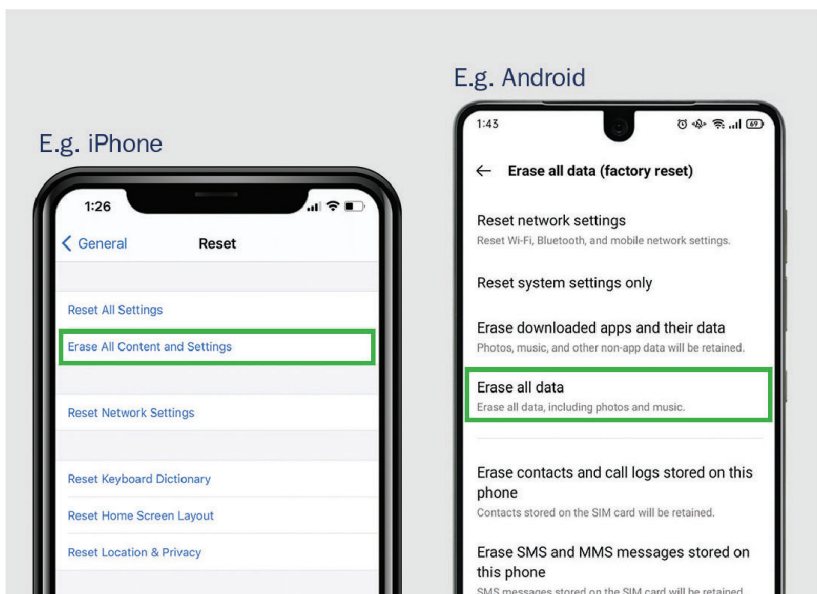

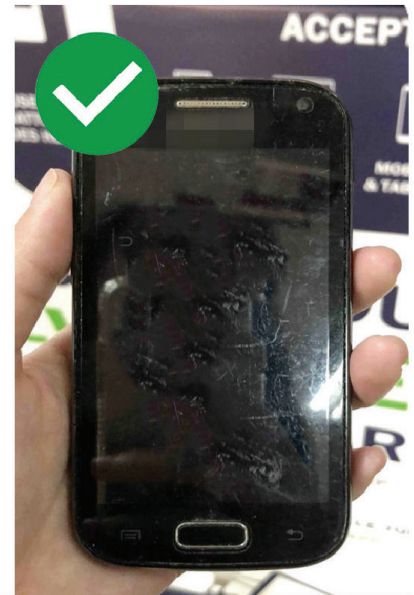

## STEP 01

Depending on the E-Waste you want to dispose, check the location of the bins which accept it before making the trip down.

## STEP 02

When disposing the E-Waste, do not dismantle the device (e.g. removing embedded batteries). Packaging such as cardboard boxes and plastic bags should be removed and placed in the blue recycling bins.

## STEP 03

For any devices with data, if possible, reformat or wipe the data before recycling.

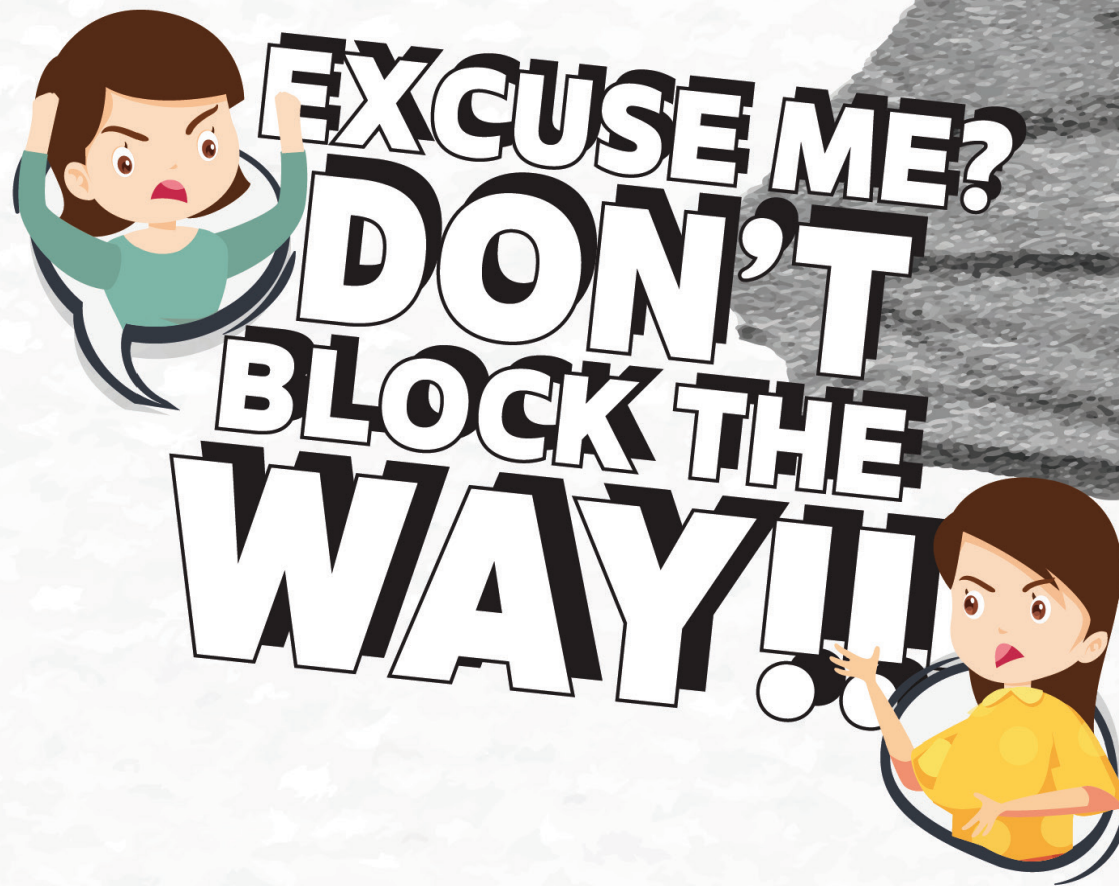

## STEP 04

If the bin is full, dispose your E-Waste at another bin in the area or call our hotline at 3105 1608 for assistance.

If you are facing a similar situation, let us help.

The Community Mediation Centre  
(CMC) provides mediation  
for neighbour disputes.

While on their way to get lunch, Mr Hoshen (left) and Mr Rahman (right) saw a truck with smoke coming out of it and the driver in distress. A resident had witnessed the situation and wrote in to share this selfless act and kindness displayed by our conservancy workers.

“A truck stopped along Canberra Way with thick white smoke coming out the back of it. The driver was frantically finding the source of fire and these two workers appeared with two big tubs of water out of nowhere within minutes! They were quick on their feet and reacted selflessly by grabbing water from the coffeeshop. After the fire was put out and the driver had driven off, the two workers walked away as if nothing had happened. Nobody commended them then, which I felt they truly deserve. If you can find out who were these two workers, please recognise them for their selfless act!”

Yes, we found them and we took the opportunity for Minister Ong Ye Kung, Adviser for Sembawang GRC (Sembawang Central), to present them with a token of appreciation for their kind deed!

Photo provided by resident

When our resident realised she could have accidentally thrown away her hospitalised mother's jewellery that she was safekeeping, she called our conservancy worker, Mr Alom, who readily assisted to retrieve the jewellery. The resident wrote in to us to express her sincere appreciation to Mr Alom:

“Retracing my steps, I suspected I threw it (jewellery) and called Mr Alom from the town council to help me retrieve it at the rubbish area under the block. I managed to communicate with him without a problem, and he found it as I could recognise the plastic bag that I put the jewellery in. Just wanted to recognise his efforts, thus I am writing this email in appreciation of his help, which he rendered instantly without any complaints or issues. Thank you Mr Alom.”

Mr Alom was also presented with a token of appreciation for going the extra mile for our resident.

We are proud  
of them  
for making  
Sembawang  
a better place  
for all.
