Dear Residents,

We have had a busy third quarter, with lots of activities and various projects being completed.

First, a warm welcome to our new residents who have just received the keys to their Build-to-Order (BTO) homes at Canberra Vista. We are glad to have you in our community and look forward to connecting with you. Sembawang is a place where we support one another, and we always welcome your suggestions for what you would like to see in the community.

We have had several improvement projects completed in collaboration with our community partners. These include two new footpaths, one near Woodlands Glen and the other, near Blk 693D Woodlands Avenue 6, now providing convenient access for residents. Additionally, Sembawang West has unveiled its first rooftop community garden at Blk 759A Woodlands Avenue 6, which will share its harvest with residents through its Give Back Plot. To further assist those with mobility devices, strollers and wheelchairs, we have constructed a sheltered barrier-free ramp in front of Blk 816 Woodlands Street 82.

Residents can also look forward to the upcoming Home Improvement Programme (HIP) in several blocks across Sembawang West, Admiralty, and Woodlands.

There have been further developments at Bukit Canberra, such as the opening of a rooftop therapeutic garden and a senior activity centre, reflecting our commitment to community health and wellness. Phase 3 of Bukit Canberra's construction is set for completion by the end of the year, introducing even more amenities for all residents.

As we approach the festive season, I hope you have the chance to take time to relax and enjoy the holidays. These occasions offer wonderful opportunities to connect with family and friends while embracing the spirit of our vibrant community. Wishing you a joyful holiday season ahead!

亲爱的居民们：

我们度过了充实而繁忙的第三季度，完成了许多活动和各种工程项目。

首先，热烈欢迎刚刚拿到Canberra Vista预购组屋（BTO）钥匙的新住户。我们很高兴您能加入我们的社区，并期待与您联系。三巴旺是一个居民守望相助的社区，如果您有任何对社区的看法，我们随时欢迎您对此提出建议。

我们与社区合作伙伴完成了多个改进项目。其中包括两条新的人行道，一条靠近Woodlands Glen，另一条靠近兀兰6巷第693D座组屋，为居民出行提供了便利。此外，三巴旺西还在兀兰6巷第759A座组屋推出了首个屋顶社区菜园，该菜园将通过 Give Back Plot与居民分享收获。为了进一步帮助那些需要使用电动助力车、婴儿推车和轮椅的居民，我们在兀兰82街第816座组屋前面建造了一个有盖无障碍坡道。

居民们还可以期待即将在三巴旺西、海军部和兀兰好几座组屋展开的“家居改进计划”（HIP）。

另外，武吉坎贝拉（Bukit Canberra）也有进一步的发展，例如开设了屋顶疗养花园和乐龄活动中心，体现了我们对社区健康和保健的承诺。武吉坎贝拉的第三期工程将于今年年底竣工，届时将为所有居民提供更多的便利设施。

随着年底节假日的临近，我希望您有机会放松身心，好好享受假期。这些节日为我们提供了与家人和朋友团聚的绝佳机会，同时也彰显了我们充满活力的社区精神。预祝大家节日快乐！

维凯
三巴旺市镇理事会主席

Para penduduk yang dihormati,

Kita telah mengharungi suku ketiga tahun ini yang begitu sibuk sekali, dengan banyak kegiatan dan pelbagai projek sedang disiapkan.

Pertama, sambutan hangat kepada para penduduk baharu kita yang baru sahaja menerima kunci rumah Bina Ikut Tempahan (BTO) mereka di Canberra Vista. Kami berbesar hati atas kehadiran anda dalam masyarakat kita dan tidak sabar berhubung dengan anda. Sembawang adalah tempat di mana kita membantu satu sama lain, dan kami sentiasa mengalu-alukan cadangan-cadangan anda yang anda ingin lihat dalam masyarakat kita ini.

Kami telah menyiapkan beberapa projek penambahbaikan dengan kerjasama rakan kongsi masyarakat kita. Ini termasuk dua laluan pejalan kaki Baharu di Admiralty, satu berhampiran Woodlands Glen dan satu lagi berhampiran Blok 693D Woodlands Avenue 6 yang kini menyediakan akses mudah untuk penduduk. Selain itu, Sembawang West telah melancarkan taman masyarakat atas bumbung yang pertama, di Blok 759A Woodlands Avenue 6, yang mengkongsi hasil tuaiannya dengan para penduduk melalui Petak Sumbang Balik Kepada Masyarakat. Di Woodlands pula, untuk membantu mereka yang mempunyai alat bantuan mobiliti peribadi (PMA) seperti kereta sorong dan berkerusi roda, kami telah membina tanjakan terlindung tanpa halangan di hadapan Blok 816 Woodlands Street 82.

Penduduk juga akan menantikan Program Peningkatan Rumah (HIP) yang bakal ditawarkan kepada flat-flat HDB di beberapa blok di seluruh Sembawang West, Admiralty dan Woodlands.

Terdapat perkembangan selanjutnya di Bukit Canberra, seperti pembukaan taman terapeutik atas bumbung dan pusat kegiatan warga emas, mencerminkan komitmen kami terhadap kesihatan dan kesejahteraan masyarakat. Fasa 3 pembinaan Bukit Canberra dijadualkan siap menjelang akhir tahun, memperkenalkan lebih banyak kemudahan-kemudahan untuk semua penduduk.

Menjelang musim perayaan, saya harap anda berpeluang meluangkan masa untuk berehat dan menikmati musim cuti. Detik-detik ini menawarkan peluang menarik untuk berhubung dengan keluarga dan rakan-rakan sambil mendukung semangat masyarakat kita yang penuh bertenaga. Semoga anda meraikan musim cuti akan datang dengan penuh meriah!

NEW OPENINGS *at Bukit Canberra*

Alongside the Sembawang GRC National Day Celebrations, we were excited to witness the opening of two new facilities at Bukit Canberra: a stunning therapeutic garden and the SPD Senior Care Centre. Our Advisers were especially impressed by the serene beauty of the therapeutic garden and the senior care centre will provide enhanced support for our elderly residents in Sembawang, making it a welcome addition to the community. We cannot wait to see what else Phase 3 of Bukit Canberra's construction, set for completion by the end of the year, will bring!

WITCHES, WIZARDS, AND WONDERS *Halloween in Sembawang*

The Halloween celebrations in Sembawang GRC were fang-tastic! Our Advisers joined in the spooky spirit, with some dressing up in fun costumes that had the children howling with delight. Beyond trick-or-treating, the kids enjoyed captivating magic performances, bounced around in bouncy castles, and, for the bravest, ventured into the haunted houses created by community volunteers. Everyone came together for a night filled with thrills and chills, making this year's Halloween bash a boo-tiful celebration of fun and laughter!

SEMBAWANG GRC

National Day Celebrations

Our residents celebrated Singapore's 59th year of independence with great fanfare this year! The festivities kicked off spectacularly at the Sembawang GRC National Day Observance Ceremony, and true to the spirit of unity, the event began with a healthy walk from Canberra Park to Bukit Canberra.

Following this, a dizzying array of activities unfolded with our dedicated Advisers — Mr Ong Ye Kung, Mr Vikram Nair, Dr Lim Wee Kiak, PBM, Ms Poh Li San, and Ms Mariam Jaafar — joining residents in the festivities. Vibrant carnivals took place in Sembawang Central, Sembawang West, and Woodlands while Admiralty and Canberra divisions went for a more intimate dinner with residents.

A common highlight throughout the celebrations was the remarkable talent showcased by our residents, who took to the stage to flaunt their skills, adding an extra layer of excitement and pride to this memorable occasion!

SEMBAWANG WEST NEIGHBOURHOOD *Renewal Programme Consensus Gathering*

Residents of Sembawang West had a delightful morning at the Neighbourhood Renewal Programme (NRP) Consensus Gathering, featuring a magic show, popcorn, ice cream, and balloon sculpting. This gathering is part of a fully funded government initiative designed to enhance the living environment for residents in Blks 714 to 720, as well as the multi-storey car parks at 714A and 718A. Adviser Ms Poh Li San was on the ground interacting with residents and providing insights into the details of the NRP as well. It was truly inspiring to witness residents actively participating in shaping their neighbourhood, contributing their ideas and suggestions to create a better living space for everyone.

SEMBAWANG GRC Health Fiesta!

The Sembawang GRC Health Fiesta was truly inspiring, bringing everyone together for a day of health and wellness! To kick things off, the Woodlands Jalan Kakis organised a pre-event walk from Assyafaah Mosque to Bukit Canberra, energising participants for the morning ahead. Adviser Ms Mariam Jaafar, along with local football stars Hassan Sunny, Nazri Nasir, and Shaiful Esah, joined in on the walk. The walk ended with a fun mass dance session!

The Health Fiesta offered a wealth of opportunities to learn about healthy living, featuring activities such as sports tryouts, informative booths on health foods, awareness of illnesses like cancer, and even free medical check-ups. Our Advisers, including Mr Ong Ye Kung, Mr Vikram Nair, Dr Lim Wee Kiak, PBM, Ms Poh Li San, and Ms Mariam Jaafar, actively participated in various energising workouts and activities scattered throughout Bukit Canberra that had us all sweating and feeling brilliant!

DEEPAVALI

The Festival of Lights in Sembawang!

The Deepavali festivities truly brightened our town! Our residents came together to celebrate the Festival of Lights alongside our Advisers. The celebrations included vibrant song and dance performances, as well as a delightful selection of fragrant Indian cuisine. Residents also organised saree draping and makeup tutorials, as well as visits to Little India. It was heartwarming to witness the community unite in such a joyous celebration, transcending race and religion.

CHANG'ES, LANTERNS AND BUNNIES *for the Mid Autumn Festival!*

The Mid-Autumn Festival celebrations were breathtaking under the moonlight, as all five divisions came together in their communities to enjoy mooncakes, stroll with lanterns, and strengthen their bonds. This year, the Canberra division even went all out, hosting the largest and most vibrant celebration to date. They set a record in the Singapore Book of Records for the “Largest Gathering Of People Dressed As Chang’Es”, with 113 attendees elegantly dressed as Chang’Es! Mid-Autumn is truly the perfect occasion for admiring the moon and celebrating the connections we have forged.

#PeopleofSembawang CANBERRA ZONE 1 Community Gardeners

Nestled within a quiet neighbourhood, the Canberra Zone 1 Community Garden is a vibrant oasis of greenery and camaraderie. As one approaches the garden in the morning, you might catch the sight of gardeners hard at work, sweeping up leaves and pruning plants.

At the heart of this initiative is Sunny Tan, a long-time volunteer who has devoted ten years to nurturing the garden. True to his name, Sunny warmly welcomes visitors, eager to share stories about the garden. He recounted how the garden was originally just a small plot of land and now it was expanded into the long corridor-shaped garden that it is.

The first few gardeners had planted leafy vegetables like *Xiao Bai Cai*, wanting to be able to harvest them to eat. However, they quickly discovered that the soft leaves of the vegetables were popular with insects. The pests quickly chewed holes into the vegetables, leaving nothing edible left.

Thus began the transition to less pest-prone varieties of plants in the form of fruit trees, flowers and herbs. Sunny emphasised that the community garden tries to go for a more natural way of growing plants, meaning their produce is pesticide-free.

Residents are encouraged to visit the garden and request to harvest any fruits or plants they need. Sunny shares heartwarming stories of individuals who come to gather herbs to help alleviate symptoms of chronic illnesses, highlighting the garden's role as a source of nourishment and support.

Among the flourishing greenery, visitors can find a variety of fruit trees, including starfruits, papayas, and even cocoa trees — an unexpected delight in this community space.

The volunteers at the community garden truly embody the magic of community initiatives. Their efforts offer a wonderful glimpse into how enjoyable it can be to be part of an interest group, providing a fun space for neighbours to connect and collaborate, and build lasting friendships.

For those interested in the garden's activities, the Canberra Zone 1 Gardening Interest Group maintains a Facebook page where updates can be found. While they are not currently accepting new members, the garden is open to visitors eager to meet the gardeners and explore this vibrant community space.

LAUNCH OF I-Bins

Sembawang Town Council is thrilled to be one of the first town councils to launch ALBA's exciting new I-Bins, bringing 20 of these smart recycling stations to our community soon! These I-Bins are an upgrade to the existing E-waste bins, featuring separate compartments for paper and fabrics, while E-waste and metal items have their own space to keep everything clean and tidy. Plus, as part of ALBA's fun STEP-UP recycling rewards programme, you can earn "CO2 Points" whenever you recycle! These points can be traded for supermarket vouchers, EZ-Link credits, and awesome promotions with ALBA's green partners. Each I-Bin even has a built-in scale to track how much we are recycling together, and they're powered by rechargeable batteries to help cut down on carbon emissions. It is exciting to see more recycling options in Sembawang GRC, allowing us to come together and make our community greener!

CAT MANAGEMENT *Framework*

The Cat Management Framework (CMF) was launched on 1 September 2024, promoting responsible cat ownership through mandatory microchipping and licensing. Current cat owners can apply for a free lifetime licence during the 2-year transition period, ending 31 August 2026. After that, there will be a limit on the number of cats residents can keep. If you have more than two cats, you are in luck! As long as they are licensed and well cared for, you can continue to enjoy the company of all your beloved furry friends. Let us make our community a haven for cats!
