Sustainability Day 2023

Photo Source: Sembawang Town Council

We just had our first Sustainability Day event on the 16th of April! The day kicked off from Sembawang Park, where Advisors Mr Ong Ye Kung, Mr Vikram Nair, Ms Poh Li San, and Dr Lim Wee Kiak, flagged off participants for the brisk walk to Bukit Canberra.

Our advisors and residents then gathered to plant 100 trees around Bukit Canberra. This has surely helped us move towards the OneMillionTrees movement.

The main event was held within Bukit Canberra with a wide variety of booths promoting sustainability, such as Otolith (educating how black soldier flies can help food waste management), SG Veg Farm (selling food locally grown in our town), ALBA (educating on what can or cannot be recycled), and more. It was surely an insightful event for all.

We thank our partners and volunteers for making this event a success!

Our Admiralty residents gathered together with Advisor Mr Vikram Nair for our annual Keep Clean, Singapore 2023 event!

After picking up litter in the estate, we planted five happiness trees to beautify our estate. We also presented awards to our conservancy workers for keeping our estate clean for all.

Let's continue to do our part in keeping our estates clean.

#EatwhatFriday

For this month's #EatWhatFriday, we headed to LiuKouShui at Bukit Canberra!

The Beef Sukiyaki Don was sweet yet savoury, and it came with a good amount of beef slices on top of soft Japanese rice. The King Fried Oyster Mushroom and Mentaiko Fries were crispy and full of flavour!

We can't wait to try other things on their menu. They are located at Bukit Canberra Hawker Centre, #01-29.
