Dear Residents,

2018 was a busy year for us, with many exciting developments and new residents joining us in new precincts that were being developed across Sembawang GRC. We warmly welcome all residents who moved in over the course of the last year.

We are nearing the end of the first quarter of 2019, and it has been exciting and fulfilling thus far. I am positive that 2019 will be a great one for all of us. We bade farewell to 2018 and welcomed the new year on a high note at our Sembawang GRC New Year's Eve countdown. There was a thunderstorm earlier in the day, but happily, it stopped right before the event started. The turnout was fantastic, and all were in good spirits. At the stroke of midnight, fireworks lit up the sky to welcome 2019.

The Town Council's Lift Replacement Programme celebrated its first important milestone on 27 January 2019 with the successful completion of the first 50 of 336 new lifts. The lifts, in total, are set to benefit 15,200 households in Sembawang GRC. Residents can look forward to brand new lifts which are faster,

Penduduk yang dihormati,

Tahun 2018 merupakan tahun yang sibuk bagi kita, dengan pelbagai perkembangan yang menarik. Ramai penduduk baru juga telah menyertai kami di kawasan kediaman yang baru siap dibangunkan di GRC Sembawang. Kami dengan sukacitanya mengalu-alukan semua penduduk yang berpindah ke sini sepanjang tahun lepas.

Kita kini mengakhiri suku pertama 2019, dan ia merupakan suatu waktu yang menarik dan memuaskan setakat ini. Saya yakin bahawa 2019 akan menjadi tahun yang hebat untuk kita semua. Kami mengucapkan selamat tinggal kepada 2018 dan mengalu-alukan tahun baru dengan sambutan ambang tahun baharu 2019 di GRC Sembawang. Walaupun terdapat ribut petir pada awal hari, tetapi ia berhenti tepat sebelum acara bermula. Kehadiran orang ramai begitu hebat sekali, dan semuanya kelihatan bersemangat. Tepat jam 12 tengah malam, percikan bunga api berwarna-warni menyalakan langit mengalu-alukan kemunculan tahun baharu 2019.

Program Penggantian Lif Majlis Bandaran meraikan pencapaian yang penting pada 27 Januari 2019, di mana penduduk-penduduk berjaya menerima 50 daripada 336 lif pertamanya. Program ini bakal memanfaatkan 15,200 isi rumah di GRC Sembawang. Mereka akan dapat menggunakan lif baru yang lebih cepat, lebih terang, dan lebih besar apabila

brighter, more spacious and reliable when they are completed progressively over the next two years.

In January, we also celebrated Pongal across the GRC which saw many Indian residents celebrating the festival by preparing Pongal the traditional way (cooking rice and milk until they overflow from the earthen pot), laying *kolams* (drawing with rice flour), singing and dancing. We have included photos of this colourful celebration on Page 7.

In February, Chinese New Year was celebrated by thousands of people throughout the estates. It has been a month of feasting and bonding for everyone as we welcomed the Year of the Pig. Different divisions celebrated Chinese New Year in different ways, but the spirit of warmth and bonding was apparent everywhere.

On behalf of everyone at Sembawang Town Council, I wish you and your loved ones an abundance of wealth and health.

disiapkan secara berperingkat dalam tempoh dua tahun akan datang.

Pada bulan Januari, kami juga menyambut Pongal di seluruh GRC. Kami telah menyaksikan ramai penduduk kaum India meraikan perayaan ini dengan menyediakan Pongal secara tradisional (memasak nasi dan susu sehingga ia melimpah keluar dari periuk tanah), menghiasi *kolam* (melukis menggunakan tepung beras), nyanyian dan tarian. Kami telah mengumpulkan gambar-gambar perayaan yang berwarna-warni ini pada Muka Surat 7.

Pada bulan Februari, Tahun Baru Cina disambut oleh ribuan penduduk di semua estet. Tahun Babi ini disambut dengan meriahnya di mana semua penduduk dapat berpesta ria dan mengeratkan hubungan antara satu sama lain. Kawasan GRC yang berbeza meraikan Tahun Baru Cina dengan cara yang berbeza, tetapi semangat kemesraan dan hubungan erat jelas terserlah di mana jua.

Bagi pihak semua di Majlis Bandaran Sembawang, saya mengucapkan anda dan orang tersayang anda, kekayaan yang tidak terhitung dan kesihatan yang terbaik.

亲爱的居民

对我们而言，2018年是忙碌的一年。我们有许多振奋人心的新发展项目。新的居民随着刚完工的组屋区落户三巴旺集选区。我们热烈欢迎所有在去年搬迁的居民。

既刺激又令人满足的2019年，第一季度来到尾声。我深信2019年对大家来说，将会是个辉煌的一年。我们在新年除夕，隆重举办三巴旺集选区倒数嘉年华，告别2018年，喜迎2019年。尽管当天有雷阵雨，但就在嘉年华拉开序幕之前，就雨过天晴了。居民出席率不但高，还兴致勃勃。午夜12点，璀璨夺目的烟花点亮了星空，迎接2019年的到来。

2019年1月27日，市镇理事会庆祝电梯更换计划完成第一个重大的里程碑：预计的336部新电梯，首50部电梯已经成功更换。这些电梯将惠及1万5千200位住户。居民在未来2年里

அன்பார்ந்த குடியிருப்பாளர்களே,

வினாவிற்ப்பான பற்பல மேம்பாடுகளோடும், செம்பவாங் குழுத்தொகுதியின் புதிய அக்கம்பக்கங்களில் குடியேறிய புதிய குடியிருப்பாளர்களோடும் 2018-ஆம் ஆண்டு நம் அனைவருக்கும் பரபரப்பான ஆண்டாக அமைந்தது. கடந்த ஓராண்டில் இங்கு குடியேறிய அனைவரையும் மனதார வரவேற்கிறோம்.

நாம் 2019-ஆம் ஆண்டின் முதல் காலாண்டின் நிறைவை நெருங்குகிறோம். இதுவரை இவ்வாண்டு மகிழ்ச்சியாகவும் மனநிறைவாகவும் அமைந்துள்ளது. இந்த ஆண்டு நம் அனைவருக்கும் சிறப்பாக அமையும் என நான் நம்புகிறேன். முந்திய ஆண்டுகளைப் போலவே, செம்பவாங் குழுத்தொகுதியின் புத்தாண்டு வரவேற்பு நிகழ்ச்சியுடன் 2018-ஆம் ஆண்டுக்கு விடைகொடுத்து புதிய ஆண்டை உற்சாகமாக வரவேற்றோம். அன்றைய தினம் முன்னதாக இடிபுடன் மழை பெய்தபோதிலும், நிகழ்ச்சி தொடங்குவதற்கு முன்பாக மழை நின்று அனைவருக்கும் மகிழ்ச்சியளித்தது. ஏராளமானோர் உற்சாகத்துடன் நிகழ்ச்சியில் கலந்துகொண்டனர். நள்ளிரவு பன்னிரண்டு மணிக்கு, வாணவேடிக்கையின் ஒளிவெள்ளத்தில் 2019-ஆம் ஆண்டை வரவேற்றோம்.

நகர மன்றத்தின் மின்தூக்கி மாற்றும் திட்டத்தின்கீழ் 336 புதிய மின்தூக்கிகளில் முதல் 50 மின்தூக்கிகளை வெற்றிகரமாக நிறுவி, 27 ஜனவரி 2019 அன்று திட்டத்தின் முதல் முக்கிய மைல்கல்லைக் கொண்டாடினோம்.

可以期待分批完工，更快捷、光亮、宽阔与可靠的崭新电梯。

在1月里，我们在集选区各处欢庆丰收节。印度族的居民都以传统的方式庆祝，包括煮上一大锅牛奶米粥，至沸腾溢出，用米粉制作色彩艳丽的图案装饰、唱歌和跳舞。我们在第7页呈献最能体现这个色彩缤纷的节日照片。

2月的农历新年也是社区内好几千居民庆祝的节日。大家在迎接猪年之际，在这个月里共享盛宴，联络感情。即使不同社区庆祝华人新年的方式不一而足，但是浓烈的人情味与凝聚力却随处可感受得到。

在此，我代表三巴旺市镇理事会祝您和家人财源广进、身心康泰。

336 BRAND NEW LIFTS TO SERVE 15,200 HOUSEHOLDS IN SEMBAWANG GRC

A far-sighted approach in implementing a \$41 million Lift Replacement Programme (LRP) has been adopted by Sembawang Town Council. From 2019 to 2021, 336 lifts will be replaced by brighter, safer, faster, and more spacious ones. The cost of this LRP is fully borne by the Town Council.

Sembawang GRC MPs Minister Khaw Boon Wan, Minister Ong Ye Kung, Mr Vikram Nair, Mr Amrin Amin, and Dr Lim Wee Kiak, PBM, celebrated the first milestone of the LRP - completion of the first 50 new lifts - at the linkhouse next to Block 772 Woodlands Drive 60 on 27 January 2019.

Mr Vikram Nair said this is the first time a town council is replacing lifts ahead of schedule on such a large scale. It is also the first time life-cycle costing approach is adopted in the tender for a lift replacement project. This new approach, which combines lift replacement work and subsequent maintenance work, has enabled the Town Council to achieve greater cost savings.

Madam Liza Sumadi, 60, comes from one of the 15,260 households who benefited from the lift replacement programme.

"Previously, the [lift system] sounds were a little too loud. The new lift moves faster now. I think most importantly, as residents, we must take care of our lifts - remember not to litter or doodle inside," she reminded.

The Town Council also held an exhibition to showcase its other future-ready innovations such as unmanned aerial vehicles, GoFM (a programme that supports management of a smart town/city and municipal services), and tree tagging.

WELCOMING 2019 WITH SONGS AND FIREWORKS

Residents turned up in full force to celebrate the start of 2019 at the open field between North Woodlands Way and Woodlands Ave 2 on 31 December 2018. During the event, some residents rekindled the joys of yesteryear when trying their hand at carnival games. Children revelled in “winter” fun as “snowflakes” from snow machines landed on them, creating a dreamy blizzard effect in tropical Singapore.

Local music talents amped up the mood with their covers of Lady Gaga’s “A-Yo”, The Vamps’ “Can We Dance”, We The Kings’ “Check Yes Juliet”, James Bay’s “Hold Back the River”, and OneRepublic’s “Counting Stars”. At the stroke of midnight, a seven-minute spectacular fireworks display lit up the sky, announcing the arrival of 2019.

Sembawang GRC MPs Minister Khaw Boon Wan, Mr Vikram Nair, Mr Amrin Amin, and Dr Lim Wee Kiak, PBM, were present to wish all residents good health, happiness, and prosperity in 2019.

The countdown was also the perfect time for residents to take stock of their achievements the past year and set their sights on the goals they wish achieve in 2019. Secondary Three student Sekar Rakesh Kapoor said: “My results improved [last] year due to increased revision and being more attentive in class. I will focus more on my Maths and Science subjects as I want to go into either the aviation or the infocomm technology industry.”

“PONGALO PONGAL! PONGALO PONGAL!”

Residents cheered as fresh milk, mixed with rice, were brought to a boil and frothed from the clay pot. This symbolic ritual embodies the meaning of abundance and prosperity during Pongal.

Pongal is a four-day harvest and thanksgiving festival celebrated at the end of each harvest season to mark the start of spring and to show the gratification of people towards the sun for bringing about the season of harvest. Cows are sacred animals in Pongal celebrations as they represent the sustenance of life. As a ritual to honour the cows for the work they do to ensure a bountiful harvest, flower garlands are placed around their necks and they are fed special snacks as treats.

Celebrations were scattered across the GRC, and residents turned up in traditional clothing for the events. Booths, such as henna and clay pot painting, were set up for residents' better appreciation of Pongal. Performances were also put up to enliven the celebratory atmosphere.

Animals lovers, you might be sorry that you missed the actual cows that were present at Gambas and Admiralty's celebrations!

WHAT A PROSPEROUS NEW YEAR!

Sembawang GRC was splashed with vibrant crimson, as residents joined their MPs over two weekend dinners to celebrate the Year of the Pig. They marked the celebration together by cheering "Heng ah! Huat ah!" while tossing raw fish, or *lo hei*. One of the most revered "deities" of the festive season, the God of Prosperity, came dressed in different red costumes throughout the five divisions. Apart from adding to the joyous atmosphere, his "arrival" made for many wonderful photo opportunities for residents.

RUNNING ROUTES IN THE NORTH

Runner's high is real, so it's no surprise how easy it is to get sucked into a running routine. With your heart pumping and the wind roaring in your ears, every step taken releases the euphoric "no pain no gain" feeling, and also burns off those calories you are constantly careful about.

With these recommended running routes, sticking to your New Year's fitness resolutions will be a breeze!

1. SEMBAWANG PARK

Simply veer left to start your journey upon entering the park. Enveloped by a foliage of trees, look out for interesting sights such as the **Battleship playground**, the historical **Beaulieu Sembawang restaurant** (don't get distracted by the delectable smells!) and the **Sembawang Park Fishing Pier**.

This route leads you back to your starting point, so you can pace yourself for as many rounds as you like according to the distance you'd like to cover.

Carpark 2 (Turn left after entering the park) > Ship Playground > Beaulieu Sembawang > Sembawang Park Fishing Pier (follow signs back to playground) > Carpark 2

Distance: 1.54km per round
Difficulty: Easy
Terrain: Paved flat walkways, includes steps
Nearest MRTs: Yishun, Sembawang, Admiralty

2. WOODLANDS WATERFRONT PARK

The Woodlands Waterfront Park route gives you a panoramic view of the Straits of Johor. Continuing straight ahead from the entrance of the park, you'll find the **high elements playground** tempting you to challenge yourself further.

Make a left turn at the playground to take the **scenic trail** that loops around the park. Tough it out with the longer route to reach the **waterfront jetty**, and you'll be rewarded with a stunning view.

Woodlands Waterfront Entrance > Head straight from the entrance towards scenic trail > High elements playground > Follow trail and loop around > High elements playground > Jetty > Turn around from end of Jetty > Straight ahead back to Woodlands Waterfront Entrance

Distance: 2.01km per round
Difficulty: Easy
Terrain: Paved flat walkways
Nearest MRTs: Woodlands

3. ADMIRALTY PARK

Admiralty Park is also another running haven. It is the largest park in the North that houses the largest nature area within an urban park.

Comprising a mixture of secondary forest, mangroves, riverine and open grassland habitats, the park guarantees endless sights of Mother Nature. With more than 100 species of flora and fauna to be spotted, make sure to keep your eyes peeled as you pound the pavement!

Enter the park entrance located nearest to **Singapore Institute of Technology (SIT@RP)** and you'll find yourself surrounded by trees, ponds and plants when you pass by Admiralty Park playground.

Distance: 2.52km per round **Difficulty:** Moderate **Terrain:** Paved walkways, hilly inclines **Nearest MRTs:** Woodlands, Admiralty, Marsiling

4. LOWER SELETAR RESERVOIR

Those who happen to share an affinity with bodies of water will be delighted by this route. Be accompanied by views of clear, glistening waters as you zip through **Lower Seletar Reservoir**.

We highly recommend swinging by towards 5PM or so to catch a glimpse of the gorgeous sunset. With a backdrop of the sky painted in rays of gold, perch yourself against the edge of the boardwalk for some epic *#fitspo* shots.

Distance: 5.92km **Difficulty:** Moderate to hard **Terrain:** Paved walkways, steep inclines **Nearest MRTs:** Khatib, Yio Chu Kang, Yishun

COMMUNITY FRIDGES

STOCKED WITH GOODNESS

Give what you can, take what you need.

Have you heard of community fridges? If you haven't, these are refrigerators placed in public places for residents' use -- to donate and share food items with those who need them more.

Initiated by Sembawang Zone E Residents' Network (RN) and Admiralty Care Corner Family Service Centre, these community fridges are managed by a group of dedicated staff and volunteers who carry out regular checks on the fridges' inventory.

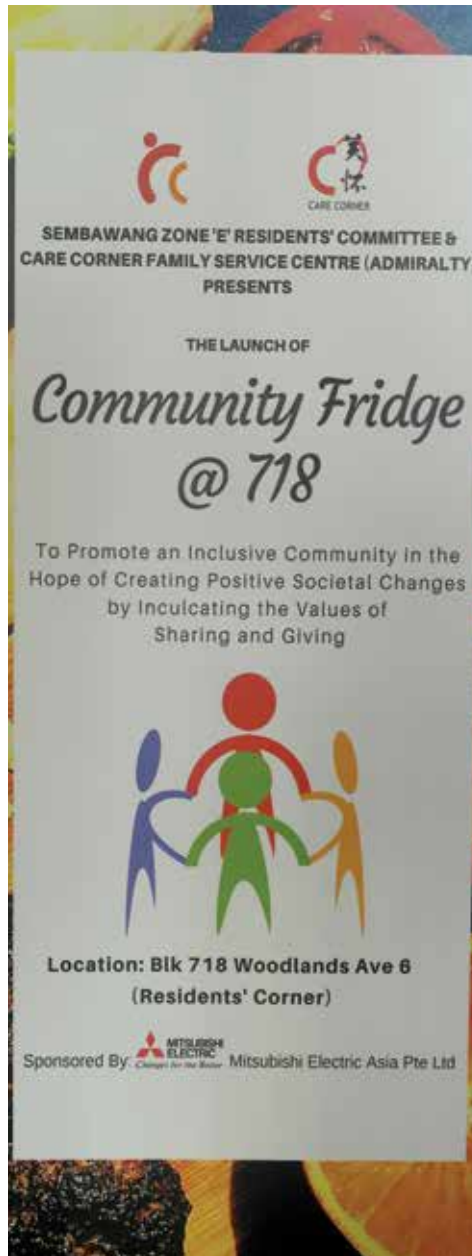

In the past few months, the community fridge initiative has seen kind-hearted residents, and even non-residents, stocking up on vegetables, fruits and bread.

A volunteer from the RN explained that those interested to help may donate food items as long as they comply with the requirements. Cooked food, half-opened packaging, or food that has gone bad will not be accepted.

Resident Mr Han Min Kwang, 32, shared that he first heard about community fridges through social media platforms. He found this initiative heartwarming and beneficial to the community. Likewise with 56-year-old resident Madam Tan Lay Chin, she said: "I think it's a great idea. The senior residents get to benefit from this because some of them are unable to travel far to buy food."

The programme was launched by Sembawang GRC MP Minister Khaw Boon Wan last December.

Drop by Block 718 Woodlands Avenue 6 and pop some food supplies there for someone who needs it more today!

The two fridges were sponsored by Mitsubishi Electric Asia Pte Ltd.

TRAPPED COCKATOO RESCUED AND NOW SAFE AT HOME

(as featured on Channel 8 online news portal www.8world.com on 21 December 2018)

The Town Council received a call from a concerned resident on 8 December last year, explaining that he had spotted a white cockatoo perched on a tree at Block 412 Yishun Ring Road from his window the past two days.

He learnt that the cockatoo's chain was entangled on a tree that was seven storeys high, which caused the poor parrot to be stuck there with limited access to food and water. The bird was heard chirping away, probably out of fear and hunger.

Upon receiving the call, our assistant horticultural manager Mr Chew Kean Boo alerted the crane contractor, who arrived at the block within minutes after. The crane contractor then carefully untangled the chains and rescued the frightened bird.

Meanwhile, spectating residents recognised the bird and referred Mr Chew to the owner at Block 409 Yishun Ring Road. Unrelentingly, Mr Chew went door-to-door to look for its owner, and his hard work paid off when he found them -- a father and son who were worried sick for their lost parrot.

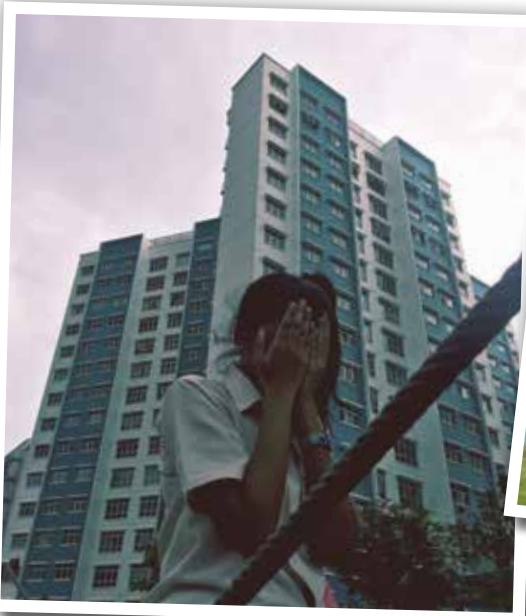

The parrot, who looked frightened at that moment, laid comfortably in the hands of its owners, sensing familiarity and knowing that it is, finally, safe.
