Sembawang West seemed to have a very enjoyable Deepavali celebration with MP Ms Poh Li San last Saturday. Traditional Indian dance and singing performances as well as delicious briyani and curry were served.

Big thanks to our CCMC, IAEC and our PA teams for working together to bring this Deepavali Festival to our residents.

The Nursery Café & Bar

We drove down to this newly opened café, The Nursery Café & Bar! A café in the day and bar by night, this cafe gives off a chill vibe with its high ceilings and minimalistic decor! We had a go at their Big Breakfast, pizza and some bar bites! Their signature Fried Chicken Waffles is a must-try! Make this your weekend brunch date plan.

Location: ARK @ Gambas #01-16, 7 Gambas Crescent, Singapore 757087

For our last #EatWhatFriday, we had Breakfast for lunch. Located at **Blk 105 Canberra Street coffeeshop**, this plate of breakfast goodness is what motivated us to get up this morning. Generous portions, wide variety of choices and affordable, this plate of noodles could feed two of us.
