

Dear \${FNAME}\$,

Happy New Year! We wish you happiness and good health for the year ahead.

Speaking of the new year, were you at the Woodlands Town Carnival Countdown? Everyone had so much fun counting down together to 2023.

But before that, Sembawang West held a recycling drive that afternoon. What a meaningful way to end the year by making space for the new and creating value out of waste when we recycle the disused items.

Canberra division started off the new year with Edusave Awards. Congratulations to the award recipients. They definitely deserve this for the hard work they have put into their studies!

It was great to be celebrating the last day of 2022 and first day of 2023 with residents and Advisors Mr Vikram Nair, Ms Mariam Jaafar and Ms Poh Li San at the Woodlands Town Carnival Countdown held at Woodlands CC.

There were so many things that went on during the carnival. The kids were thrilled by the games, and how can a party go on without food and drinks?

Let's make the best out of 2023! Happy New Year!

In celebration of International Migrant Workers Day, the kindergarten students of E-Bridge Pre-School @ Canberra show their appreciation to the migrant workers in the community. On 18 December 2022, the students distributed food items along with hand design cards and posters to the conservancy workers of Sembawang Town Council.

We would like to thank E-Bridge Pre-School@Canberra for their generosity to our conservancy workers! We also thank our conservancy workers for their hard work and dedication in keeping our estates clean.

We headed to the newly opened Bukit Canberra Hawker Centre for our last #EatWhatFriday, and one of the stalls that caught our eye was Ah Gong Teochew Noodle.

We had the Ah Gong Special. The noodles were springy and deliciously mixed with ketchup, vinegar and a myriad of sauces. It was also served with copious amounts of slices of pork and liver.
