

Dear \${FNAME}\$,

The holy month of Ramadan has started! Have you been to the Bazar Raya Utara at Woodlands MRT station or the Sembawang West Bazaar Ramadan opposite Admiralty MRT station?

Also, in the spirit of Ramadan, there were food distributions in our respective divisions. In other news, check out the newest RN addition in Sembawang West division.

Recently, there was a study that identified eating out in Sembawang is expensive. Scroll down and see Advisor Dr Lim Wee Kiak debunks this study!

Lastly, check out our latest feature on a Sembawang GRC resident, Adil, who is also a para-athlete playing in the Singapore Wheelchair Rugby team.

In a few months, the widened bicycle path near Woodlands Sports Pavilion will be painted to demarcate a dedicated cycling lane.

The covered linkway near the Woodlands Sports Pavilion now extends across 3 new High Covered Linkways (HCL) connecting Blocks 640, 648, and 649. Residents in the area have a fully sheltered path to Kampung Admiralty, Admiralty Place, and Admiralty MRT.

We thank all who are involved for making this happen!

Thank you to our volunteers and Advisor Mr Vikram Nair for helping to clean up Sembawang Beach and the nearby islands off our coast. More than 90kg of waste was collected just only over a few hours, but it seems more waste are still being dumped everyday.

Marine litter is a problem as it pollutes our coastline and threatens marine life. Let's be mindful of our environment and do our part for our planet!
