

Dear \$[FNAME]\$,

Check out Action for Green Towns initiatives as we embark on our journey towards a Greener Sembawang. We have also started to introduce more urban farming areas within the GRC.

Sembawang Hot Spring Park has officially reopened just in time for year-end get togethers with friends and family.

Looking to get fit before the year ends? Sembawang West has launched their Running Club just last week!

Stay tuned to our weekly highlights for more news closer to home. Join our Telegram channel, follow us on Facebook and join our telegram channel to stay in the know.

Together with other PAP-managed Town Councils, Sembawang Town Council is announcing the first phase of our plans towards zero-waste, energy-efficient and greener towns. To ensure the sustainability of a flourishing living environment, we must do our part to combat climate change.

With our Sustainability Champion, Ms Poh Li San, we are excited to take in your ideas for a better, greener Sembawang Town.

More Spaces for Urban Farming in Sembawang GRC

One of the greener initiatives in Sembawang GRC is encouraging Urban Farming at rooftop gardens.

Minister Ong Ye Kung, MP for Sembawang GRC (Sembawang Central), along with community volunteers, harvested a new community garden last Monday. Lettuce, cabbage and *chai sim* were harvested and ready for the kitchen.

With all the dedication and hard work put in by the community, we can definitely look forward to more harvests in the near future!
