

Dear \$[FNAME]\$,

It's been a fun-filled celebration with events like Mother's Day and Hari Raya Puasa over the past few weeks!

Let us continue to do our part to #MakeSembawangGreen by recycling your e-waste on 28 May at our different e-waste collection points!

Also, discover new job opportunities available for you within the GRC.

*Stay tuned to our weekly highlights for more news closer to home. Join our Telegram channel, follow us on Facebook to stay in the know.*

## Sembawang West's Earth Day Celebrations

Together with residents, Sembawang West division held a tree planting and litter picking session in commemoration of Earth Day.

On top of that, they also took the opportunity to show gratitude to our cleaners who work hard everyday to keep our estates clean!

## **Iftar together with our SBTC Migrant Workers!**

***Photo Source: Ms Mariam Jaafar's Facebook Page***

After 2 long years, we could finally hold physical events with the ease of COVID-19 restrictions. MP for Sembawang GRC (Woodlands), Ms Mariam Jaafar, held an Iftar session together with our migrant workers of Sembawang Town Council.

As they chatted over Briyani, they shared about their families abroad and plans for their Hari Raya Celebrations.

Do say a simple hello or give a wave when you see them around the estate!

## Protecting our Marine Life

***Photo Source: Mothership's Facebook Page***

Did you know that Horseshoe Crabs are actually more closely related to scorpions and spiders? These creatures are older than dinosaurs, having been around for more than 300 million years.

Recently, over 50 Horseshoe crabs were found tangled and left to fend for themselves in an abandoned gill net at Sembawang Park Beach. By the time they were found, only some were alive.

These incidences are a timely reminder that we share our eco-system with other living species. Let us be mindful that we have an equal part to play in protecting our marine wildlife!
