## **Updates on Bukit Canberra: Hawker Centre & Indoor Sports Hall to open this year!**

***Photo Source: MustShareNews***

Here's an exclusive sneak peek! Bukit Canberra will house an 800-seat Hawker Centre, equipped with a food digester. Also, the indoor sports hall can accommodate 12 badminton courts, whilst holding 2,000 people for various community events. There is even a retractable seating gallery that can accommodate 500 more people at a time.

Look out for exciting upcoming events being held here, including Pesta Sukan (Malay for Sports Festival) in July and our very own National Day 2022 Observance Ceremony in August!

## HDB's SolarNova Programme

Under the Housing and Development Board's (HDB) SolarNova programme, it aims to install Solar Panels in another 400 blocks situated in Sembawang GRC. Government agencies benefit from the programme by leveraging on cost-efficiency, reducing grid power usage.

The installations are expected to begin in the third quarter of 2022 and will be completed by 2025.

## Learn more about Tree Mulching

Have you come across trees being pruned in your estate? Well, here's where the tree pruning waste are handled thereafter.

Waste are being converted into mulch to aid in the enhancement of our town's greenery! It effectively reduces waste and our carbon footprint, whilst also maintaining greenery and cooler temperatures.

Tree Mulching will soon be adopted across all PAP Town Councils by 2023.
