

Dear \${FNAME}\$,

In this issue, check out our MPs take up the eco-friendly challenge and a new retail space at Woodlands MRT.

The divisions in our Town had quite a few happenings in the past few weeks –

- Canberra Youth Network held their first ground-up initiative, Project Revive.
- Admiralty Community Sports Network is holding interesting sports activities at ACE The Place CC.
- Woodlands celebrated International Plastic Bag Free Day and Youth Day with a cleaning expedition.

### **Combo105**

We came across Combo105, a halal cafe tucked away in a quaint neighbourhood in Canberra.

Their extensive menu, affordable prices and comfortable atmosphere made it a great place for lunch! We wanted to highlight the Chicken Katsu Curry, which had such a generous portion size for its price. The chicken was crisp and delectable, whilst the Japanese curry complemented it perfectly.

### **On'Lee Artisan Bakery**

We highly recommend this hidden treasure of bread heaven! Located at Woodlands MRT Station, TEL near Exit 7 of the station, On'Lee Artisan Bakery is the place to go to sweeten up your weekend.

They offer a wide variety of pastries, including danish, croissants, cream puffs, muffins, cakes and bread. Most items are priced below \$4 too. Go give it a try and let us know your favourite pastry!

**Check them out at** 105 Canberra Street,  
Eastbrook @ Canberra, #01-03, 750105.
