

Dear \${FNAME}\$,

Our Town was riddled with many events and happenings the past few weeks!

Admiralty kicked off their first National Day event, and Sembawang West showed us their beautiful National Day decorations that will definitely hype residents to celebrate the nation's birthday.

We also bring you good news about Canberra's Elephant Foot Yam flower that was stolen last year, leaving the community in shock.

Read more about how our cleaner, Mr Kamis, went the extra mile for an injured resident.

Stay tuned to our weekly highlights for more news closer to home. Join our Telegram channel, follow us on Facebook to stay in the know.

Canberra Community Resilience Day 2022

Photo Source: Singapore Civil Defence Force's Facebook Page

The Canberra Community Resilience Day was held on 24 July 2022. In attendance were MP for Sembawang GRC (Canberra) Dr Lim Wee Kiak, PBM, along with 500 residents. The event was organized by 3rd SCDF Division, People's Association (PA) and the Canberra Community Emergency and Engagement (C2E) Committee, to promote public awareness and education on emergency preparedness.

Sembawang Central's Volunteers Appreciation

Photo Source: Mr Ong Ye Kung's Facebook Page

After a 2-year hiatus, Sembawang Central had a successful volunteer appreciation event over the weekend. 300 volunteers in Sembawang Central gathered, caught up with old friends and met with fellow volunteers. We thank all our volunteers who have made Sembawang special.

Woodlands' Berkorban Apa Saja

Assyafaah Mosque organised inaugural Berkorban Apa Saja programme on Sunday, 31 July 2022. At this event, invited beneficiaries received korban meat and dry groceries sponsored by OS Bagus Pte Ltd.

MP for Sembawang GRC (Woodlands) Ms Mariam Jaafar graced the event and gave out groceries and Korban meat to the invited families. Ms Mariam also joined Chef Sery Rahim who was previously a Zakat Beneficiaries in Assyafaah Mosque on stage for a demonstration on how to cook Mutton Stew. Chef Sery also shared on how she motivated herself and now no longer needs financial assistance.

Through this event, Assyafaah Mosque and M3@Woodlands hope that the beneficiaries are motivated and want to do better for their families by upskilling themselves.

Canberra's Corpse Flower Blooms

Photo Source: Dr Lim Wee Kiak's Facebook Page

Remember the viral Elephant Foot Yam Flower pot last year? The flower was discovered but was later stolen. Gardeners then transferred the flower's tubers at Canberra Zone 1 community garden.

Residents will be excited to know that the bud is flowering again, now at 43cm and still growing.

Going The Extra Mile For Our Residents

Mr Kamis was just going about his daily cleaning duties when he witnessed a resident fall to the ground. Seeing that the resident's daughter was unable to lift him, he kind-heartedly provided assistance to carry the resident back home. A token of appreciation was presented to Mr Kamis for his devotion to the call of duty. We wish the resident a speedy recovery! Check out the full story here!

Celebrating International Friendship Day!

In commemoration of International Friendship Day, we held a contest on our Telegram Channel, asking residents to share with us how they met their best friends. Read on to find out the winners' stories of how their beautiful friendships blossomed. Stay tuned to our Sayang Sembawang Telegram Channel to find out more!

WINNERS FROM OUR SAYANG SEMBAWANG INTERNATIONAL FRIENDSHIP DAY CONTEST!

#1

My best friend and I first met through our mutual friend when we played mobile legends together in 2018. Have been best friends since then!!

#2

We met each other in school since 2011 during orientation time 😊 and both of us are living in Sembawang GRC constituency too!! A great estate with lots of activities and food stalls in the neighbourhood to meet up and chat 🍔 Glad that we are still contacting each other everyday 💕

WINNERS FROM OUR SAYANG SEMBAWANG INTERNATIONAL FRIENDSHIP DAY CONTEST!

#3

My best friends and I met in 1970 in school. We have remained as friends, went for each others wedding and seen each other's children grow up. We try to meet up often, as time permits. We been together for 52 years!

#4

My best friend and I met when we were in JC through a subject called Group Project. We became best friends over time because of our similar personalities and have kept in regular contact ever since (for the past 8 years). He is the first few people that I would turn to for any forms of support 💕
