

Dear \${FNAME}\$,

Last weekend was filled with many National Day celebrations across the GRC. It's been awhile since we gathered on such a large scale since the pandemic, and we hope you enjoyed the celebrations, gatherings and fireworks!

Check out the Makan@Woodlands website/app that was launched at the opening of the new Woodlands North Plaza.

Read more about how our cleaner, Mr Alom, had gone above and beyond to help our resident find and retrieve her missing jewellery.

In this issue, we also feature some delicious food in our GRC for our #EatWhatFriday series!

Our Roaring National Day Celebrations:

National Day Heartland Celebrations @ North West

Last weekend started off with a blast! On 6 August 2022, the National Day Heartland Celebrations @ Northwest was held next to Sun Plaza. The carnival was part of the National Day Parade (NDP) 2022 Heartland Celebrations.

We were honoured to have the grassroots advisers from other constituencies and our Grassroots Advisers, Minister Ong Ye Kung, Mr Vikram Nair, Dr Lim Wee Kiak, PBM, Ms Poh Li San, and Ms Mariam Jaafar, to join in the National Day celebrations together. Did you manage to catch the beautiful drone light show and fireworks from your windows?

Sembawang GRC Celebrates Singapore's Birthday as One Community

The National Day carnival next to Sun Plaza in Sembawang GRC continued on 7 August 2022, albeit a smaller scale. The rain in the morning did not dampen the high spirits of residents in attendance. Residents were entertained with the many performances, workout segments, and the march-in by uniform groups from our secondary schools and community volunteers. We also sang along to National Day songs with our MPs for Sembawang GRC!

Thank You For Going Above And Beyond For Our Residents

Photo by Resident

As soon as our resident realised she may have accidentally thrown away her hospitalised mother's jewellery that she was safekeeping, she called our conservancy worker, Mr Alom, who readily assisted to retrieve the jewellery. The resident wrote in to us to express her sincere appreciation to Mr Alom.

Mr Alom was presented with a token of appreciation for going the extra mile for our resident.

Pork Ribs Noodles

Grace's Pot at Kampung Admiralty

We discovered this Pork Ribs Noodles that gave our tastebuds and bellies a hearty treat! Affordably priced, the pork ribs were braised to perfection, very flavourful and extremely tender. We would also recommend you to go there hungry, because the portion is huge and the amount of meat served is generous!

Location: S-11 Coffeeshop, Blk 630A Woodlands Ring Road Singapore 731630

Spicy Duck Curry Noodles

Try this bowl of spicy duck curry noodles from **Blk 105 Canberra Street!** Priced at \$5, this bowl of goodness was the perfect comfort food for a rainy day, and the helping was generous as well! Every mouthful of noodles can complement with the ingredients-- tau pok, pork skin, duck meat and long beans!

We had a go at some Indian cuisine! Recommended by a resident, we visited late and they ran out of Thosai, so this was what we went for instead.

From Grace's Pot at **Kampung Admiralty Hawker Centre**, this Appam Plain was priced at \$3 for 2 pcs. With a side of coconut shreds, red sugar and curry, this Appam was hot and crispy when it was served. The centre of the pancake was fluffy, and was a light afternoon snack for us. Double thumbs-up because this is a suitable snack for vegetarians too!

Ishiro Fusion Bowl

Treated yourselves to some Japanese-Asian fusion food at **Blk 120 Canberra Crescent**, @Ishiro Fusion Bowl! For those who love Japanese food, this is a quick fix for some mentaiko katsu and pork belly.

They offer a wide variety of dons, which left us spoilt for choice. For those who are huge fans of mentaiko, you will be in for a treat because of the generous amount of mentaiko sauce. For those who are meat lovers, be sure to go for the combo bowl that are filling but not too jelat! We added on some deep-fried oysters and potato croquette as side dishes, and they were both served crispy and hot!
