## **GetActive! Singapore Sports Carnival** **@ The North**

On 21 August 2022, our residents were not afraid to get down and dirty at GetActive! Singapore, Sports Carnival @ the North (organised by Woodlands United Sports Academy) despite the rain that morning.

Joined by MPs for Sembawang GRC, Minister Ong Ye Kung and Mr Vikram Nair, many participated in the wide range of sports activities at Canberra Secondary School such as Basketball, tug-of-war, dodgeball, volleyball, and more!

## #EatWhatFriday

### **New Odense**

Introducing some fluffy waffles from New Odense which we discovered at the newly upgraded **Woodlands North Plaza!**

The waffles were soft and fluffy, with a generous dollop of chocolate filling that we opted for. No preservatives or artificial colouring is added so fret not! We accompanied our order with some grass jelly green milk tea from the same stall, which was not too sweet and had a familiar nostalgic flavour.

### **Ji Xiang Everton Ang Ku Kueh**

We chanced upon Ji Xiang Everton Ang Ku Kueh pop-up booth at **Sun Plaza** last week.

Other than the traditional peanut and sweet bean fillings, we were also spoilt with other choices such as salted bean, sweet corn, yam and coconut flavours. The skin of the ang ku kueh is soft and the right amount of chewiness, with generous fillings that will give you a taste of filling with every bite. Do visit them before they are gone at the end of the year!
