#SayangOurHeroes: Mr Alom

Photo Source: Mr Jaeden Chew

Mr Jaeden Chew, a Sembawang GRC resident sent in a compliment about a conservancy worker, Mr Alom! He wrote,

"Accidentally dump my iPhone with the pizza boxes into the rubbish chute last night. My dismay was quickly dissolved thanks to Sembawang Town Council and Alom. Much appreciation for their quick arrangement and attempt to retrieve my disposal - especially Alom who has to get his hands dirty for me. A big thank you again!"

We are glad that Jayden managed to get his phone back with the help of Mr Alom; and we are also very proud of Mr Alom as he continues to do his best to serve the residents of Sembawang GRC.
