## **Woodlands Grandparents' Day at the Jurong Lake Gardens**

**Photo Source: Mariam Jaafar's Facebook**

Woodlands residents enjoyed a memorable Grandparents' Day celebration at the Jurong Lake Gardens, spending quality time with their grandparents. The day featured a brisk walk, fun games, and a delicious buffet lunch, offering families a chance to bond and create lasting memories. Many residents, including Ms Mariam Jaafar, shared a sense of nostalgia as they returned to the revamped gardens, which they had visited with their own families in the past. The event was made even more special with retro games, snacks, and a singalong of classic tunes, including "Ai Pia Cia E Ya" and "Beautiful Sunday."

## **Admiralty Sports Night 2024**

**Photo Source: Vikram Nair's Facebook**

Our Adviser, Mr Vikram Nair, attended the Admiralty Community Sports Network's appreciation event, recognising local sports teams such as children's and youth soccer, women's soccer, netball, and Admiralty's NFL football team. The event was made even more special by the presence of former Lion, Mr Baihakki Khaizan. It was a great chance to celebrate the hard work and dedication of these teams, who play a key role in building community and teamwork. With continued support from role models like Mr Baihakki, our young athletes are inspired to achieve even greater success. We look forward to seeing these teams thrive and continue making us proud in the years to come.

## **Sembawang West's Family Tea Dance**

**Photo Source: Poh Li San's Facebook**

For the past three years, Sembawang West's monthly Sunday Tea Dance has been a fantastic way to keep seniors active, engaged, and happy. Ms Poh Li San, our Adviser, found it especially heartwarming to see families, including those with loved ones living with dementia, come together and make it an inclusive experience. Through singing, dancing, and fun games, seniors are able to exercise both their bodies and minds while building meaningful connections. It was a joy for everyone to join in!

Some volunteers banded together to help declutter a unit! Among them were domestic workers from the Philippines, who generously gave their time on their day off, as well as students and members of the AMKSS Social Move, a charity founded by alumni of AMK Secondary School. Over 30 people took part in the more than three-hour effort, with additional support from HDB and Sembawang Town Council, who were also there to lend a helping hand.
