Mr. Vikram Nair, our advisor, took part in the collaboration between the Youth Networks of Sembawang GRC the weekend prior to organize an Orienteering game along the trails from Admiralty Park to the Woodlands Waterfront. The game proved to be quite challenging, yet participants thoroughly relished the experience. Numerous participants expressed their desire for additional time to locate more checkpoints. Encouraged by the enthusiastic response, the team gathered feedback from participants and is considering organizing another session. A heartfelt appreciation goes out to the Youth Networks for their innovative concept and collaborative efforts in making this event a success. Special thanks are also extended to the numerous volunteers whose assistance made this event possible.

On March 12, 2024, the sacred month of Ramadan begins. Our Muslim residents and friends will observe fasting and dedicate themselves to prayers and service.

In collaboration with our advisor, Minister Ong Ye Kung, Ms. Mariam Jaafar, and Ms. Poh Li San, we aimed to bring convenience and the festive atmosphere to our Sembawang GRC community.

We extend heartfelt gratitude to the Sembawang GRC MAEC teams for their efforts in bringing Bazaar Raya Utara to the heart of our community. We hope all our residents will enjoy the diverse array of halal offerings available at the bazaar!

## Ramadan Porridge Distribution

Ramadan porridge is one thing our Muslim community looks forward to every Ramadan. Our advisor, Ms. Mariam Jaafar were happy to bring Bubur Lambuk to each of our RN zones to share with Muslim families as well as non-Muslims who were curious to try it. One Chinese boy who was able to taste it straightaway gave it two thumbs up "it's so nice! Got curry flavor"

Ramadan is a test of patience and perseverance for all believers. And by helping others and doing good, we feel good. We hope everyone is having a blessed Ramadan.
