Advisers Mr Ong Ye Kung, Mr Gabriel Lam and Mr Ng Shi Xuan officiated the opening of Gallop Stables at Sembawang, which was held alongside a lively Chinese New Year celebration. The event marked the official launch of this new attraction in the North, following months of preparation and restoration works by Mr and Mrs Shanker and their dedicated team, who carefully relocated and cared for the horses from Bukit Timah Turf City while transforming the space.

Residents and guests gathered to celebrate the Year of the Horse and explore the stables, which now offer a unique recreational experience within the neighbourhood. The opening reflects ongoing efforts to bring distinctive community spaces closer to home, creating more opportunities for families to connect with nature and one another.

New Hardcourt at 786B Woodlands Drive 60

Adviser Ms Poh Li San officiated the opening of the new hardcourt near Blk 786B Woodlands Drive 60, marking the launch of a new shared space for residents to exercise, play badminton and take part in group activities. The opening programme included a plaque unveiling followed by a friendly badminton session, where residents had the opportunity to try out the court and reconnect through sport and conversation. The new facility also provides more open space for children to stay active and encourages healthier lifestyles within the neighbourhood.

The hard court will host upcoming community events including the Sembawang West Chinese New Year Dinner on 28 February and Community Buka Puasa on 7 March, before opening for regular use from mid-March. As the court is located close to residential blocks, residents are encouraged to be mindful of noise, especially at night, and to enjoy this shared space responsibly as we continue building a caring and connected community together.
